## Consequences of the revocation

If you cancel this Agreement, we will refund all payments we have received from you, including delivery costs (except for the additional costs resulting from your choosing a delivery method other than the cheapest standard delivery offered by us), immediately and at the latest within 14 days from the day we receive notice of your cancellation of this Agreement. We will use the same means of payment for this refund as you used for the original transaction, unless expressly agreed otherwise with you; in no event will you be charged any fees for this refund. If you have requested that the Services commence during the cancellation period, you shall pay us an appropriate amount corresponding to the proportion of the Services already provided by the time you notify us of the exercise of the right of withdrawal under this Agreement compared to the total scope of the Services provided for in the Agreement. Premature expiry of the right of revocation You may be asked for your consent to the exclusion of the right of revocation before we commission you with services. The reason for this is that the use of services can be revoked within two weeks and we would only have to perform the services afterwards to secure our rights of use and payment. You may therefore be asked to make the following statement: "I agree and expressly request that you begin to perform the service ordered before the end of the cancellation period. I am aware that if the contract is completely fulfilled I will lose my right of revocation."
